RE: Deposit Account # 07-1775
U.S. Patent Serial No. 10/701,308
Fee Codes - 1251
Fees: \$720 Charged to #07-1775 - 6 Instances

I contacted the USPTO Deposit Account section regarding some difficulty I had on March 30, 2007 submitting a Response to an Office Action and the Petition for Extension of Time for one month. The Deposit Account section confirmed that our deposit account was charged six times in the amount of \$120 for this fee for a total of \$720. Therefore, we have been overcharged by \$600. Apparently the USPTO was having some RAM difficulties on that day and we had mistakenly tried submitting this more than once because of the system problems at the USPTO and been charged six times for this \$120 fee.

Therefore we are requesting a refund to our deposit account in the amount of \$600 (amount of overcharges).

I look forward to your response.

With best regards,

Jennifer Bommentre
Paralegal
